General Information

Journal of Geotechnical Engineering covers the field of soil mechanics and foundations, with special emphasis on the relationship between the geologic environment and man-made works. Computer applications are also examined. Topics include dynamic response of foundations, earth-retaining structures, earth-supported structures, and dam construction and slope stability, as well as soil failures and their solutions.

Journal of Geotechnical Engineering (ISSN 0733-9410) is published monthly by the American Society of Civil Engineers. Publications office is at 345 East 47th Street, New York, NY 10017-2398. All editorial correspondence should be directed to the Journals Department. Second-class postage is paid at New York, NY, and at additional mailing offices.

Postmaster: Send address changes to *Journal of Geotechnical Engineering*, ASCE, 345 East 47th Street, New York, NY 10017-2398.

Submission of papers. Submit five copies of papers and notes and three copies of discussions to the Journals Department. Maximum length for papers is 0,000 words; for notes, 2,500 words; for discussions, 1,250 words. Multiple submissions are not accepted for review. Indicate division and, if applicable, committee to which material is being submitted. The use of SI units is preferred; other units are used, SI equivalents must also be given. Write or phone the Journals Department for *ASCE Authors' Guide to Journals, Books, and Reference Publications* for complete instructions for manuscript preparation.

Reprints for authors can be ordered prior to publication using reprint order forms provided by the Editorial Department.

Photocopies. Authorization to photocopy internal or personal use under circumstances not falling within the fair use provisions of the Copyright Act is granted by ASCE to libraries and other users registered with the Copyright Clearance Center, (CCC) Transactional Reporting Service, provided that the base fee of \$1.00 per article plus \$.15 per page is paid directly to CCC, 27 Congress Street, Salem, MA 01970. The identification for *Journal of Geotechnical Engineering* is 0733-9410/90 \$1.00 + \$.15. Requests for special permission or bulk copying should be addressed to the Journals Reprint Department, ASCE.

Subscriptions. 1990 rates are \$36.00 for members and \$144.00 for nonmembers. Postage outside the U.S.A. is \$16.00 additional. Single copies are \$15.00.
