# GREAT DAMS

IN SOUTHERN AFRICA

PURNELL

CAPE TOWN • JOHANNESBURG

LONDON • NEW YORK

... B. J. Vorster  
... of South Africa  
... to this book  
... some of the  
... have been, and  
... It is very fitting  
... these achievements  
... by a South African  
... his life to wait  
... parts of the world  
... presenting Dr. Olivier  
... in saying that  
... the civil engineering  
... waiting the  
... civil engineering  
... companies,  
... municipalities, the  
... and the fact

... in detail, are  
... countries of  
... the national  
... and even the  
... may change. I  
... t, and are built  
... for hundreds  
... or set to work  
... a, most of  
... the water re  
... neighbouring ter  
... essential for a  
... know where  
... of these wa  
... a source of  
... the cheapest  
... we are eve  
... work Dr. Olivier  
... ms of South  
... ow the hydro  
... ions serves  
... ages that, b  
... t north and t  
... and capita  
... the granary  
... hird World.  
... o the future  
... ates such  
... ved by imm  
... at will take  
... nd exports
