

THE HERITAGE OF SPANISH DAMS

NORMAN A.F. SMITH, Ph. D.; B. Sc. (Eng.)

INTRODUCTION

Dr. Ing. J. TORAN

C.I.C.C.P.; C.I.C.F.; M.I.C.E.; F.A.S.C.E.

*This seal is carved on the stone facing of the venerable Almansa Dam.
Direct examination shows the date to be 1384.*

This book is published by the Spanish National Committee on Large Dams
with the sole aim of furthering interest in the history of engineering.

MADRID MCMLXX
